Subject: Request for waiver of Surcharges of ₹2 per unit incentive – Ref: HT Service No. ADB 167

Ref: 1) HT Connection Number ADB167.
2) C.G. 320 of 20220, of Adilabad Circle
3) As per Letter No 1337/Budget/A2/2017 Dated 06.06.2020.
4) As per Letter No Energy-Bud/A2/Other /55/20-Bud-(1)21 Dated 26.08.2021.
5) As per Letter No Energy-budget/A2/Other /55/21 Dated 30.03.2022.

Dear Sir,

We write with deep concern regarding the unresolved billing issues for our HT Service No. **ADB 167**, despite the clear and unambiguous directives issued by the Hon'ble Telangana State Electricity Regulatory Commission (TSERC) in its order dated **27.10.2022 (C.G.No.320 of 2020)**.

As detailed in the order, it has been conclusively established that:

1. We wish to inform you that, as per the circular the Government of Telangana is allowing a power incentive of Rs 2 per unit to Spinning Mills in the state from October 2016 onwards duly deducting the same from power bills and reimbursing the incentive amount as per the claim submitted by the DISCOMs. The surcharge levied on the **₹2 per unit incentive** is impermissible.

2. The specific demand notice for **₹1,37,05,859/-** as surcharge on an incentive amount of **₹5,49,26,916/-** (for the period October 2017 to March 2019) has been **set aside** by the Commission. And which is paid by Discom.

3. Your office is directed to follow the Government's instructions (Letter No. **Energy-Bud/A2/Othr/55/2021-Bud-(1)** dated 26.08.2021, similarly from 2016 onwards every financial year govt orders state that **₹2 per unit incentive will be duly deducted from the monthly bill, and same will be credited by govt to the respective Discom**), which explicitly prohibit levying any surcharge on state-payable incentives.

In view of the binding nature of the TSERC order, we hereby formally request the following:

1. Waiver of All Surcharges:

Immediate and complete waiver of **all surcharges/interest levied on the ₹2 per unit incentive from October 2016 onward**, in strict compliance with the Commission's ruling.

We came to know that TGSPDCL has already waived surcharges on the ₹2 per unit incentive. Both NPDCL and SPDCL are electricity distribution companies (DISCOMs) under the Telangana State Electricity Regulatory Commission (TSERC). Hence, we request you to grant a similar waiver."

We trust in your prompt and decisive action to resolve this long-pending matter. Please **waive of our surcharges levied on ₹2 per unit incentive.**

Thanking you

Yours faithfully,

For Sree Astalaxmi Spinning Mills Private Limited
