Subject: **Representation against the Re-categorization of HT Connection and Revision of Tariff** – IOCL Ramagundam Depot and consideration of representation in Public Hearing scheduled on 05.03.2026 (O.P. No. 79 of 2025)

Reference:

- IOCL Ramagundam Depot letters dated 28.12.2023, 26.06.2025, 26.07.2025, 05.09.2025, 17.10.2025, 08.12.2025
- HT Connection No.: PDL027

Respected Sir/Madam,

With reference to our above-cited letters, we respectfully submit our request for re-categorization of the HT power connection of Indian Oil Corporation Limited (IOCL), Ramagundam Depot located at Kundanpally village of Peddapally district.

Ramagundam Depot of Indian Oil Corporation (IOCL), located at Kundanpally village of Peddapally district, is availing HT power connection (connection no : PDL027) currently categorized under HT-II (A) (Commercial)

Earlier, At Ramagundam Depot, the products i.e., Motor Spirit (petrol) and High speed Diesel are being stored and directly loaded into Tank Trucks without any blending process.

At present, IOCL company carries out blending operations such as Ethanol Blended Motor Spirit (EBMS) and B7 High Speed Diesel, Xtrapremium MS and Xtragreen Diesel.

Also as per Govt. norms, Blending of Ethanol made mandatory or else payment of additional excise duty at the rate of Rs. 2/ litre for non-blended MS will be imposed on Oil Companies.

Blending process unit :

Step -1 : Initially IOCL receive biofuels i.e, Ethanol and B-100 from different vendors and store it in Biofuels Tanks.

Step-2 : 20 % of Ethanol in proportionate to 80 % Motor Spirit (Petrol) blending is being done in Blending process Skid at TLF.

Similarly 1% to 7 % B-100 in proportionate to 99 % to 93% High Speed Diesel (HSD) blending is being done. After the completion of recirculation and Churning process in separate dedicated Blending Tank, blended product samples will be collected and sent for Quality Testing.

Step-3 : Xtrapremium and Xtragreen Additives are finally blended with 0.2 Litres/KL in Ethanol Blended Motor spirit and 0.8 Litres/KL in Biodiesel after the completion of step-2 through Additive Dosing Skid.

Step-4 : Blended products sample will be sent for Quality Checks whether the blended product meets the required specifications or not. After meeting the specs, Finished product will be loaded in Tank Trucks in TLF Gantry Shed.

The depot is presently availing an HT connection (No. PDL027) categorized under HT-II (A) (Commercial). The said connection is utilized for operating a petroleum storage and distribution terminal involving receipt, storage, blending, and pumping of petroleum products, including blending activities such as Ethanol Blended Motor Spirit (EBMS) and B7 High-Speed Diesel (HSD). Further, the establishment is covered under the Factories Act, and a copy of the valid Factory License has already been submitted to your good office.

It is pertinent to submit that other IOCL terminals/depots performing identical industrial operations in the State of Andhra Pradesh, such as Rajahmundry, Kakinada, Guntakal and Chittor are categorized under the HT-Industrial tariff category. and copies of the corresponding electricity bills have being furnished for kind reference.

Prat

In this connection, and with reference to the public hearing scheduled on 05.03.2026 in O.P. No. 79 of 2025 regarding approval of Revised ARR, FPT, and CSS for FY 2026-27, we humbly request the Hon'ble Commission to:

1. Consider our earlier representations along with this submission during the public hearing; and
2. Re-categorize the HT connection of IOCL Ramagundam Depot from HT-II (A) (Commercial) to HT-I (A) (Industrial) and revise the applicable tariff accordingly.

Request for Recategorization:

Location Address	HT Service Connection	Existing Tariff Category	New Tariff Category Request	Reasons
Indian Oil Corporation Limited Ramagundam Depot	PDL027	HT-II (A): Commercial	HT-I (A): Industry General	Blending process Operations

In view of the above submission, we respectfully request for recategorization of HT Connection from **HT-II (A): Commercial category to HT-I (A): Industry General** while finalizing the retail Tariff Proposal of TGNPDCL. Further, we would request the Hon'ble Commission to afford us with an opportunity to be heard during the course of the hearing dtd. 05.03.2025 to enable us to further elaborate on the request made herein above.

Dear Sir/Madam,

Sub: Request for Change of Electricity Tariff at IOCL Ramagundam Depot

As a Government of India Public Sector Undertaking under the Ministry of Petroleum and Natural Gas, we are responsible for the storage and distribution of essential petroleum products like Petrol and Diesel to 18 out of 33 Districts in Telangana State.

IOCL Ramagundam Depot operates as an industrial facility with a valid Factory license/ all other statutory requirements and the electricity consumed by our depot is solely utilized for industrial purpose. However, our electricity charges are currently being charged based on the HT-II(A) others category instead of the applicable HT-1(A)- Industry General category.

Hence, it is requested to please review and revise the tariffs suitably for the electricity consumption at IOCL Ramagundam Depot.

Kindly do the needful.

Thanking you,

Yours faithfully,

Dear Sir/Madam,

Sub: Request for change of electricity Tariff at IOCL Ramagundam Depot.

As a Government of India Public Sector Undertaking under the Ministry of Petroleum and Natural Gas, we supply Motor Spirit (MS) and High-Speed Diesel (HSD)—both classified as essential commodities under the Essential Commodities Act, 1955—to various Central and State Government entities, as well as to the general public through our retail outlets across 18 districts of Telangana

The IOCL Ramagundam Depot operates as an industrial facility with a valid Factory license, and all other statutory requirements and the electricity consumed by our depot is solely utilized for industrial purposes. However, Our electricity charges are currently being calculated based on the commercial tariff rather than the applicable industrial tariff.

Hence, It is requested to please review and revise the tariff suitably for the electricity consumption at IOCL Ramagundam Depot.

Thank you for your cooperation and understanding.

Thanking you,

Yours faithfully,
For INDIAN OIL CORPORATION,

Subject: Request for Change of Electricity Connection Category - IOCL Ramagundam Depot, Kundanapalli Village

Reference: Service No. PDL027 | Contracted MD: 400 KVA | Voltage: 11 kV | Present Category: IIA

Respected Sir,

We are writing to request a change in the electricity connection category for **IOCL Ramagundam Depot**, located at **Kundanapalli Village, Peddapalli District**.

The **Indian Oil Corporation Limited (IOCL) Ramagundam Depot** is a **Government of India Public Sector Undertaking**, operating under the **Ministry of Petroleum and Natural Gas**. The Depot functions as an **industrial facility**, holding a valid **Factory License** and complying with all other statutory requirements.

In accordance with Section 2(k) of the Factories Act, "manufacturing process" includes any process for "pumping oil." The Depot is licensed for a total pumping capacity of **1588 HP**, qualifying its operations as industrial in nature.

The facility undertakes the following industrial operations:

- Unloading of products by pumps received through railway wagons and tank trucks.
- Pumping of products for bulk loading to Tank Trucks and dispatch to various industrial consumers and retail outlets
- Blending of products such as **Ethanol Blended Motor Spirit (EBMS - Petrol)**, **Xtra Premium 95 Petrol**, and **Xtra Green Diesel**
- Operation of a **Vapour Recovery Plant** for the recovery of MS vapours

All electricity consumed at the Depot is exclusively used for the above industrial activities.

In light of the above, we kindly request you to reclassify our electricity connection from **Category IIA (Commercial)** to **Industrial Category**, which accurately reflects the nature of our operations.

We request your kind consideration and early action in this matter.

Thanking you,

Yours sincerely,

Depot In-Charge
IOCL Ramagundam Depot
