Respected Sir / Madam,

I am an individual farmer who has set up a solar power plant under Component-A of the PM-KUSUM Scheme and executed a PPA with the DISCOM at the pre-fixed levelised tariff of Rs. 3.13/kWh. In response to the Public Notice dated 23.06.2026, I respectfully record my objection to the petition seeking to lower the tariff to Rs. 2.98/kWh, on the following ground(s):

Ground: PM-KUSUM Scheme Objectives

The PM-KUSUM Scheme exists to enhance farmers' income, promote decentralized renewable energy, and improve energy security. A decision that substantially reduces farmers' income directly defeats these objectives and ought not to be made except on clear statutory authority and cogent evidence.

I therefore pray that this Hon'ble Commission may decline the proposed reduction from Rs. 3.13/kWh to Rs. 2.98/kWh, maintain the tariff of Rs. 3.13/kWh as determined in O.P. No. 24 of 2020, and grant such other relief as it deems fit in the interest of justice.

Yours faithfully,
