Respected Sir / Madam,

I am an individual farmer who has set up a solar power plant under Component-A of the PM-KUSUM Scheme and executed a PPA with the DISCOM at the pre-fixed levelised tariff of Rs. 3.13/kWh. In response to the Public Notice dated 23.06.2026, I respectfully record my objection to the petition seeking to lower the tariff to Rs. 2.98/kWh, on the following ground(s):

**Ground: Financial Closure**

I obtained bank finance for my project on the basis of the Rs. 3.13/kWh tariff. The sanctioned loan, the repayment schedule, the projected cash flow, the DSCR and the IRR were all computed on that tariff. A reduction of the tariff after financial closure directly impairs the viability of the project and my ability to service the loan, and would push the project towards default.

I therefore pray that this Hon'ble Commission may decline the proposed reduction from Rs. 3.13/kWh to Rs. 2.98/kWh, maintain the tariff of Rs. 3.13/kWh as determined in O.P. No. 24 of 2020, and grant such other relief as it deems fit in the interest of justice.

Yours faithfully,

D. Smjan Reddy
