Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme — filed pursuant to the Public Notice dated 23.06.2026.

Particulars of the Objector (Solar Power Generator):

Name of the SPG / Farmer: LAXMI MAROJU
Application No.: TG/PM KUSUM-A/24-25/00559
PPA No. and Date: 12, 8/6/25
Capacity (MW): 1 MW
Village / Mandal / District: Pallerla / Yadadri / Bhongir
Mobile No.: 9951598817

Respected Sir / Madam,

I am an individual farmer who has set up a solar power plant under Component-A of the PM-KUSUM Scheme and executed a PPA with the DISCOM at the pre-fixed levelised tariff of Rs. 3.13/kWh. In response to the Public Notice dated 23.06.2026, I respectfully record my objection to the petition seeking to lower the tariff to Rs. 2.98/kWh, on the following ground(s):

Ground 1: Change in Law Does Not Mean Automatic Tariff Reduction

A Change in Law event requires determination of the actual impact, actual savings and actual financial consequences before any tariff consequence can follow. It does not permit a hypothetical, estimated or assumed reduction. The petition proceeds on an assumed reduction of roughly 7% in capital cost, without establishing the actual saving for any individual project, and is therefore unsustainable.

Ground 2: GST Reduction Did Not Reduce the Entire Project Cost

The GST reduction applies only to certain specified renewable energy goods. Substantial components of project cost are wholly unaffected by it — land development, civil works, transmission line, bay extension, transformer, interest during construction, insurance, bank processing charges, labour, security, transportation and O&M arrangements. The assumption that the overall project cost has uniformly fallen by Rs. 20-25 lakh per MW is unproven and cannot be accepted without project-specific evidence.

I therefore pray that this Hon'ble Commission may decline the proposed reduction from Rs. 3.13/kWh to Rs. 2.98/kWh, maintain the tariff of Rs. 3.13/kWh as determined in O.P. No. 24 of 2020, and grant such other relief as it deems fit in the interest of justice.

Yours faithfully,

(Signature)
