Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme – filed pursuant to the Public Notice dated 23.06.2026.

Respected Sir / Madam,

I have invested my savings and raised institutional finance to establish a solar plant under Component-A of the PM-KUSUM Scheme on the strength of the tariff of Rs. 3.13/kWh determined in O.P. No. 24 of 2020. The proposed reduction to Rs. 2.98/kWh threatens that investment. I therefore submit the following objection:

Ground: Promissory Estoppel

The Government, through the PM-KUSUM Scheme and the determined tariff, induced me to make this investment. Having acted on that representation and committed substantial funds, I am entitled to the protection of the doctrine of promissory estoppel. The Government cannot now withdraw the economic foundation of the project to my prejudice.

I humbly pray that this Hon'ble Commission may be pleased to dismiss the petition, preserve the contractually agreed tariff of Rs. 3.13/kWh, and pass any further orders necessary to protect the interests of farmers under PM-KUSUM Component-A.

Yours faithfully,
