Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme – filed pursuant to the Public Notice dated 23.06.2026.

Particulars of the Objector (Solar Power Generator):

Name of the SPG / Farmer: T. HANMANTHA REDDY

Application No.: TG/PM KUSUM-A/24-25/00105

PPA No. and Date: 716, 31/12/25

Respected Sir / Madam,

I am a Solar Power Generator (SPG) under Component-A of the PM-KUSUM Scheme, having executed a Power Purchase Agreement with the distribution licensee at the pre-fixed levelised tariff of Rs. 3.13/kWh determined by this Hon'ble Commission vide Order dated 02.01.2021 in O.P. No. 24 of 2020. Having seen the captioned Public Notice, I submit my objection to the proposed reduction of the tariff to Rs. 2.98/kWh on the following ground(s):

Ground: Project-wise Verification Is Mandatory

Each generator procured equipment and materials at different points in time – some before the GST notification and some after it. The actual GST benefit, if any, therefore differs from project to project. Applying a single, uniform tariff cut across all projects without project-wise verification is arbitrary and violates the principle of fairness.

It is respectfully prayed that this Hon'ble Commission may be pleased to reject the petition of TGSPDCL in I.A. No. 4 in O.P. No. 24 of 2020 and to continue the existing pre-fixed levelised tariff of Rs. 3.13/kWh for PM-KUSUM Component-A projects, and to pass such further orders as may be just and proper.

Yours faithfully,
