Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme – filed pursuant to the Public Notice dated 23.06.2026.

Particulars of the Objector (Solar Power Generator):

Name of the SPG / Farmer: Thota Rajendhar

Application No.: TG-PM-KUSUM-A/24-25/5748

PPA No. and Date: 98 Date: 10/06/2025

Capacity (MW): 1.5

Village / Mandal / District: wardhana pet / wardhanapet / warangal

Mobile No.: 949 212046

Respected Sir / Madam,

Being a Solar Power Generator under Component-A of the PM-KUSUM Scheme, bound by a PPA that fixes my tariff at Rs. 3.13/kWh for 25 years, I am directly and adversely affected by the relief sought in I.A. No. 4 of 2026. I place the following objection before this Hon'ble Commission for its kind consideration:

Ground: Change in Law Does Not Mean Automatic Tariff Reduction

A Change in Law event requires determination of the actual impact, actual savings and actual financial consequences before any tariff consequence can follow. It does not permit a hypothetical, estimated or assumed reduction. The petition proceeds on an assumed reduction of roughly 7% in capital cost, without establishing the actual saving for any individual project, and is therefore unsustainable.

In the premises, it is prayed that the relief sought in the petition be rejected, the pre-fixed levelised tariff of Rs. 3.13/kWh be retained, and, in the alternative, that no revision be ordered without a comprehensive, project-wise review of all cost parameters.

Yours faithfully,

Thota Rajendhar
