Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme – filed pursuant to the Public Notice dated 23.06.2026.

Particulars of the Objector (Solar Power Generator):

Name of the SPG / Farmer: Uthepu Uma Rani

Respected Sir / Madam,

I am an individual farmer who has set up a solar power plant under Component-A of the PM-KUSUM Scheme and executed a PPA with the DISCOM at the pre-fixed levelised tariff of Rs. 3.13/kWh. In response to the Public Notice dated 23.06.2026, I respectfully record my objection to the petition seeking to lower the tariff to Rs. 2.98/kWh, on the following ground(s):

Ground: Binding Nature of the PPA

After execution of the PPA, the tariff of Rs. 3.13/kWh became part of a legally enforceable contract between me and the distribution licensee. Neither party can unilaterally alter the agreed tariff except in accordance with the Electricity Act, 2003, the terms of the PPA itself, and the applicable Regulations. The relief sought in the petition amounts to a unilateral downward alteration of a concluded contract and is therefore impermissible.

I therefore pray that this Hon'ble Commission may decline the proposed reduction from Rs. 3.13/kWh to Rs. 2.98/kWh, maintain the tariff of Rs. 3.13/kWh as determined in O.P. No. 24 of 2020, and grant such other relief as it deems fit in the interest of justice.

Yours faithfully,

In response to the Public Notice dated 23.06.2026, I respectfully record my objection to the petition seeking to lower the tariff to Rs. 2.98/kWh, on the following ground(s):

Ground 2: Sanctity of Contract

The sanctity of contracts is a well-settled principle of Indian law. This Hon'ble Commission should be slow to interfere with contractual rights that have already crystallized upon execution of the PPA – more so where the generator has already acted on those rights by investing his savings and raising bank finance against the agreed tariff.

I therefore pray that this Hon'ble Commission may decline the proposed reduction from Rs. 3.13/kWh to Rs. 2.98/kWh, maintain the tariff of Rs. 3.13/kWh as determined in O.P. No. 24 of 2020, and grant such other relief as it deems fit in the interest of justice.
