Subject: Objection to the petition (I.A. No. 4 in O.P. No. 24 of 2020) filed by TGSPDCL seeking reduction of the pre-fixed levelised tariff from Rs. 3.13/kWh to Rs. 2.98/kWh under Component-A of the PM-KUSUM Scheme – filed pursuant to the Public Notice dated 23.06.2026.

Respected Sir / Madam,

Being a Solar Power Generator under Component-A of the PM-KUSUM Scheme, bound by a PPA that fixes my tariff at Rs. 3.13/kWh for 25 years, I am directly and adversely affected by the relief sought in I.A. No. 4 of 2026. I place the following objection before this Hon'ble Commission for its kind consideration:

Ground: Legitimate Expectation

I invested in this project relying on Government policy, the TGERC tariff order in O.P. No. 24 of 2020, and the executed PPA, all of which assured a tariff of Rs. 3.13/kWh for 25 years. This is a legitimate expectation that the State ought not to defeat without compelling legal justification.

In the premises, it is prayed that the relief sought in the petition be rejected, the pre-fixed levelised tariff of Rs. 3.13/kWh be retained, and, in the alternative, that no revision be ordered without a comprehensive, project-wise review of all cost parameters.

Yours faithfully,

Respected Sir / Madam,

I have invested my savings and raised institutional finance to establish a solar plant under Component-A of the PM-KUSUM Scheme on the strength of the tariff of Rs. 3.13/kWh determined in O.P. No. 24 of 2020. The proposed reduction to Rs. 2.98/kWh threatens that investment. I therefore submit the following objection:

Ground: Promissory Estoppel

The Government, through the PM-KUSUM Scheme and the determined tariff, induced me to make this investment. Having acted on that representation and committed substantial funds, I am entitled to the protection of the doctrine of promissory estoppel. The Government cannot now withdraw the economic foundation of the project to my prejudice.

I humbly pray that this Hon'ble Commission may be pleased to dismiss the petition, preserve the contractually agreed tariff of Rs. 3.13/kWh, and pass any further orders necessary to protect the interests of farmers under PM-KUSUM Component-A.

Yours faithfully,
