Encl : As above.

Yours faithfully,

CHIEF ENGINEER
IPC&RAC/TGNPDCL/WGL

Response to Sri. M Venugopala Rao, Senior Journalist & Convener, Centre for Power Studies, Hyderabad.

S.No.	Summary of Objections / Suggestions	Response of the Licensee
1.	Following issuance of G.O.Ms.No.44 dated 17.12.2026 and G.O.Ms.No.4 dated 11.3.2026 by the state government for formation of a third DISICOM - Telangana Rythu Power Distribution Company Limited - to serve exclusively five categories of the consumers in the state, TGNPDCL is seeking amendment to its distribution license to the effect that barring the said five categories of consumers in its area of operation, the remaining categories of consumers only would continue to be in its area of operation to give effect to the said two G.Os.	The petition for amendment of Licensee to the TGNPDCL has filed in accordance with the provisions under section 18 of the Electricity Act 2003 and as per the Distribution Licensee Regulation No 4 of 2016.
2.	Having held public hearings on the petition of TGRPDCL, the Hon'ble Commission has not yet given its order. If the Commission gives its consent to formation of TGRPDCL, as proposed, it automatically follows that consents to the amendments sought by TGNPDCL need to be given by the Commission. If application for consent for formation of the third DISCOM is rejected by the Commission, the question of giving consent to the amendments proposed by TGNPDCL in the subject petition does not arise. If the Hon'ble Commission returns the petition for formation of TGRPDCL, with queries and conditions, for resubmission with required modifications, for its consideration, till that issue is disposed of by the Commission, issuing an appropriate order, there will be no need to consider the subject petition till then. Therefore, we request the Hon'ble Commission to keep the subject petition pending till it gives its final order in the petition seeking consent for formation of TGRPDCL.	Under the purview of the Hon'ble Commission.
