Subject: Request to direct TGRPDCL to provide one more opportunity for exercising option for Employees

===== Forwarded message =====

Respected Sir,

I, Raju Korutla, working as Junior Accounts Officer in TGNPDCL, respectfully submit the following for your kind consideration please.

It is to submit that, options were invited from employees who were willing to work in TGRPDCL. At the time of exercising the options, I could not execute my option due to certain personal issues. Subsequently, it also learnt that there is a scope of diversion of certain higher cadre posts from TGNPDCL to TGRPDCL, which may have an impact on future promotional opportunities in TGNPDCL.

After understanding the future prospects and administrative structure, I am now willing to opt for service in TGRPDCL. However, since the option process has already been completed, employees like me are unable to submit our willingness.

In view of the above, I humbly request the Hon'ble Commission to kindly consider this situation and issue suitable directions to TGRPDCL to provide one more opportunity for exercising options to employees who could not submit their willingness earlier due to technical reasons, other circumstances.

Such a decision would ensure fairness and provide equal opportunity to all eligible employees without affecting their future career prospects.

I therefore request the Hon'ble Commission to kindly consider my representation sympathetically and pass suitable orders in the interest of employee welfare please.

Thanking you, Sir.

Yours faithfully,

Raju Korutl

Junior Accounts Officer

TGNPDCL
