Sir,
Sub:- Electric Vehicles policy to TSRTC - Reg.

SP/TE

Ref:- Principle Secretary to Government, TR&B Dept.Lr. No.7760/
Tr.1(1)/2017-2, dated 06.12.2017.

The Principle Secretary to Government, TR&B Department issued a draft copy of the State Electrical vehicle policy for battery system to set a target of 100% Electric buses by 2030 for Inter-City, Intra-City & Inter State transport (Key milestones - 25% by 2022, 50% by 2025 and 100% by 2030).

In this connection, it was mentioned that to support the infrastructure, roads, power and water will be provided at the door step of the Industry for stand alone units through infrastructure assistance under IIDF (incl. exemption from paying various charges to local bodies and Government agencies).

Acopy of the draft letter from Principal Secy. To Government of Telangana, TR & B is enclosed herewith.

It is understood that tariff proposal for Electric vehicle charging stations/Charger infrastructure/Battery Swap set up at low voltage level and also for HT voltage level are sent by the CPDCL Department. To consider under category-II for LT supply and HT-II category under HT supply to TSERC.

In this connection, it is requested that TSRTC is a Public Undertaking Transport and is having 97 Depots. The Corporation is registered under Industrial Act and it is transporting 93.62 lakhs commuters daily on TSRTC buses and running the buses to far away villages from urban areas to meet the commuters and transport the public.

Hence, it is requested to consider the power supply for HT category to Electric charging stations under minimum subsidy rates as directed by the Government of Telangana, so as to complete the Electric Buses project within stipulated time and render its services to the public.

Thanking you,

Yours sincerely
