To,
The Honourable Telangana electricity regulatory commission,
Vidyut Niyamtran Bhavan, GTS Colony,
Kalyan Nagar, Hyderabad - 500045

Sir,

Sub: - Certain Objections with regard to the ARR filings. Certain statistical information required

Reg: -

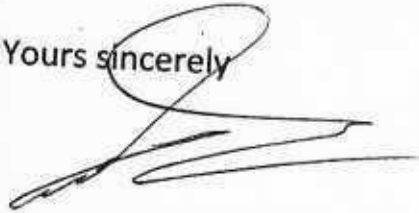

1. At the outset condo nation request itself should not be considered. Paucity of time for collecting necessary information from their own departments and preparing ARR is their internal administrative inefficiency. Model code of conduct due to general elections has nothing to do with their internal official/homework.
2. What is the cost of power procurement from Hyder/Thermal stations within the state? What is the cost of power purchase from other state owned power stations and NTP. Why is the difference? Are there any plans to make our state self-sufficient?
3. What are the reasons for failure of sri sailam Hydal power generating stations? What is the cost of repairing them? When are they going to be re-commissioned?
4. What is the highest and lowest cost of procurement of solar power till date?
5. What is the extent of land (forest or other) procured to erect solar power generating stations?
6. What is the status of implementation of PMKUSUM schemes A, B and C?
7. How many houses/consumers have adopted 'Surya ghar'?
8. What are the distributions loses in different circles?
9. What are the number of illegal/unauthorized domestic, industrial and commercial power connections in various circles what is the action mooted, Is there any plan/Programme for regularization of them?
10. What are the dues from central and state government offices for consuming power?
11. What and how much power is consumed by various departments and sections of the society who are provided power at subsidized rates and free power? What is the loss/burden? Is the state government compensating the same and to what extent?
12. Details of subsidized power tariffs to various categories of consumers in other states.

13. What are the tariff rates for domestic, commercial, industrial, agricultural sectors in various states in our country?
14. Are there any issues to be settled with TEEA, TSPEA, TPDEDA and other artisan and contract workers?

Thanking you

Yours sincerely
