Regd. No 58 of 2022

Dated: 25-09-2024

To

**Subject: Request for Extension of Last Date for Submission of Comments on
ARR & Wheeling Tariff Filings for Distribution Business and Transmission
Business for 5th Control Period (FY 2024-25 to FY 2028-29) O.P Nos. 12 of
2024 and I.A Nos. 11 of 2024**

Dear Sir,

We are very much thankful to your good office for supporting our industry from
time and again.

With reference to the subject mentioned above, I would like to bring to the kind
attention of the Hon'ble Commission that the filings made by TGSPDCL and
TGNAPDCL on the determination of ARR and Wheeling Tariff for the Distribution
Business for the 5th Control Period (FY 2024-25 to FY 2028-29) were uploaded
on the websites of TGERC and TGSPDCL two days after the notice was published
in the newspapers.

Given this delay and considering the Dasara festival, which falls between
October 2nd (Dasara Navaratrulu) and 11th October, the last date for submitting
comments and objections coincides with the festival day. Hence, we kindly
request the Hon'ble Commission to extend the deadline for submission.

Additionally, TG Transco has also filed the ARR and proposed charges for
Transmission Business and SLDC for the same period, with the deadline for
comments also being 11th October 2024.

Given the volume of data to be analysed and the reduced number of working
days due to the festival, it will be challenging to prepare and submit
comprehensive comments by the current deadline. Therefore, we respectfully
request that the Hon'ble Commission extend the deadline for submission of
comments by 15 working days, from 11th October to 31st October 2024.
