To

The CMD
TGNPDCL,
Warangal.

Respected Sir,

Sub:- Request to extend CMD above 149 KVA to
249 KVA - Reg.

With reference to the above subject we request your kind consideration to extend the CMD from 149 KVA to 249 KVA in H.T.I. (optional category). We are under MSME sector and they are around 1200 granite processing units under TGNPDCL. The Granite industry in the state is facing huge financial burden due to the crisis in the real estate market in State and across the country. The dominance of artificial material such as composite marble, quartz tiles and vitrified tiles in the market is a big threat to the survival of Granite industry in the state which employees huge in numbers directly and indirectly.

We are contributing good revenue to the government and expecting to extend the CMD for the granite processing units which is a huge relief for this sector and survival of industry.

Thanking you Sir,

Yours sincerely,

M. Chakradhara Reddy
President
