

TELANGANA ELECTRICITY REGULATORY COMMISSION

Vidyut Niyamtran Bhavan, G.T.S Colony, Kalyan Nagar, Hyderabad- 500 045

PUBLIC NOTICE

**IN THE MATTER OF DRAFT TELANGANA ELECTRICITY REGULATORY
COMMISSION (MULTI YEAR TARIFF) FIRST AMENDMENT
REGULATION, 2026**

Preamble

The Commission in exercise of the powers conferred under Section 61 read with Section 181 of the Electricity Act, 2003 (36 of 2003) and all other powers enabling it in that behalf, had earlier notified Regulation No. 2 of 2023 being Telangana State Electricity Regulatory Commission (Multi Year Tariff) Regulation, 2023 in the Telangana Gazette dated 30.12.2023.

2. During the hearings on the ARR petitions, the TGDISCOMs and several stakeholders also submitted that certain provisions of the Principal Regulation relating to Fuel Cost Adjustment (FCA) were resulting in operational and financial difficulties, particularly due to restrictions on recovery of legitimate fuel cost variations beyond the prescribed timelines. The Commission observed that such restrictions may hinder appropriate consideration of actual fuel cost variations during true-up, which is contrary to the objectives of the multi-year tariff framework.

3. TGTRANSCO has requested the Commission for enhancement of the Threshold Limit for the works to be executed through Tariff Based Competitive Bidding (TBCB). The Commission, after examining the submissions of TGTRANSCO, considered it appropriate to provide flexibility for implementation of important transmission projects and projects requiring urgent execution, in the interest of reliable power supply and timely development of transmission infrastructure in the State.

4. Accordingly, in exercise of the powers conferred under Section 181 read with Sections 61 and 62 of the Electricity Act, 2003 (36 of 2003), and all other enabling powers, the Commission prepared draft Telangana Electricity Regulatory Commission (Multi Year Tariff) first amendment regulation, 2026. The Commission will consider the suggestions of the stakeholders, Licensees and add or amend the provisions of the draft Regulation in the interest of stakeholders and Licensees if the Commission deems it fit.

5. The draft regulation is hosted on the website of the Commission (www.tgerc.telangana.gov.in) and notice is hereby given to stakeholders and the public at large under sub-section (3) of Section 181 of the Act read with Electricity (Procedure for Previous Publication) Rules, 2005 inviting comments/suggestions/objections on the provisions of the said draft Regulation. Comments /suggestions /objections may be submitted in the following format:

Sl. No.	Clause No.	Provision in draft regulation	Comments/ suggestions/ objections

6. The comments/suggestions/objections, in the aforementioned format, shall reach the Commission on or before **29.05.2026** by 05:00 PM, either in writing addressed to the Commission Secretary, TGERC at the above address or by email to secy-tgerc@telangana.gov.in.
